Please do not feel compelled to purchase those items. Please keep in mind that ALL student supplies will be kept in an 18-gallon tote; please send only those supplies that are on this list. Back-up supplies will need to be kept at home. Thank you for helping to get this school year started on a positive note!

*If your child tends to use supplies up rapidly, consider buying additional backup supplies now as the price of school supplies goes up dramatically after school begins.

If some supplies are difficult to find or unavailable, please don't stress.
