

Announcing...

Catholic

Schools

Week

2017

Sunday, January 29th through Friday, February 3rd

Two events will run at various times throughout the school week:

Drop Everything And Dance which involves random music played over the intercom and dancing wherever you are, and our new-this-year “**Secret Saints**” project which promotes school unity by having each class both pray for another class and do secret acts of kindness and caring for them.

One event will begin the week before Catholic Schools Week: a **Canned Food Drive** to benefit the Bellevue Food Pantry.

The cans we collect will be used to make the bowling lanes for Friday’s bowling event!
