

**St. Mary's Catholic School Extended Day Program  
Registration Contract  
2017-2018**

St. Mary's offers an Extended Day Program for our students from 6:30am-8:00am and 3:20pm-6:00pm. This program is designed for families that need continuous before/after childcare. Every family must complete and return a registration form before their student will be allowed to attend Extended Day. We strongly advise each family to fill out the registration form even if you do not plan on using the program, just in case of emergency.

When school is in session for a scheduled half day, Extended Day will only be open in the mornings. When school is not in session, the Extended Day program is not open. When school is closed early due to weather or other emergencies, your child must be picked up as soon as possible. On Snow days there is no Extended Day.

For additional questions regarding the Extended Day program please contact Nicole Koster, Extended Day Director, at 402.291.1694 or 402.880.7483.
